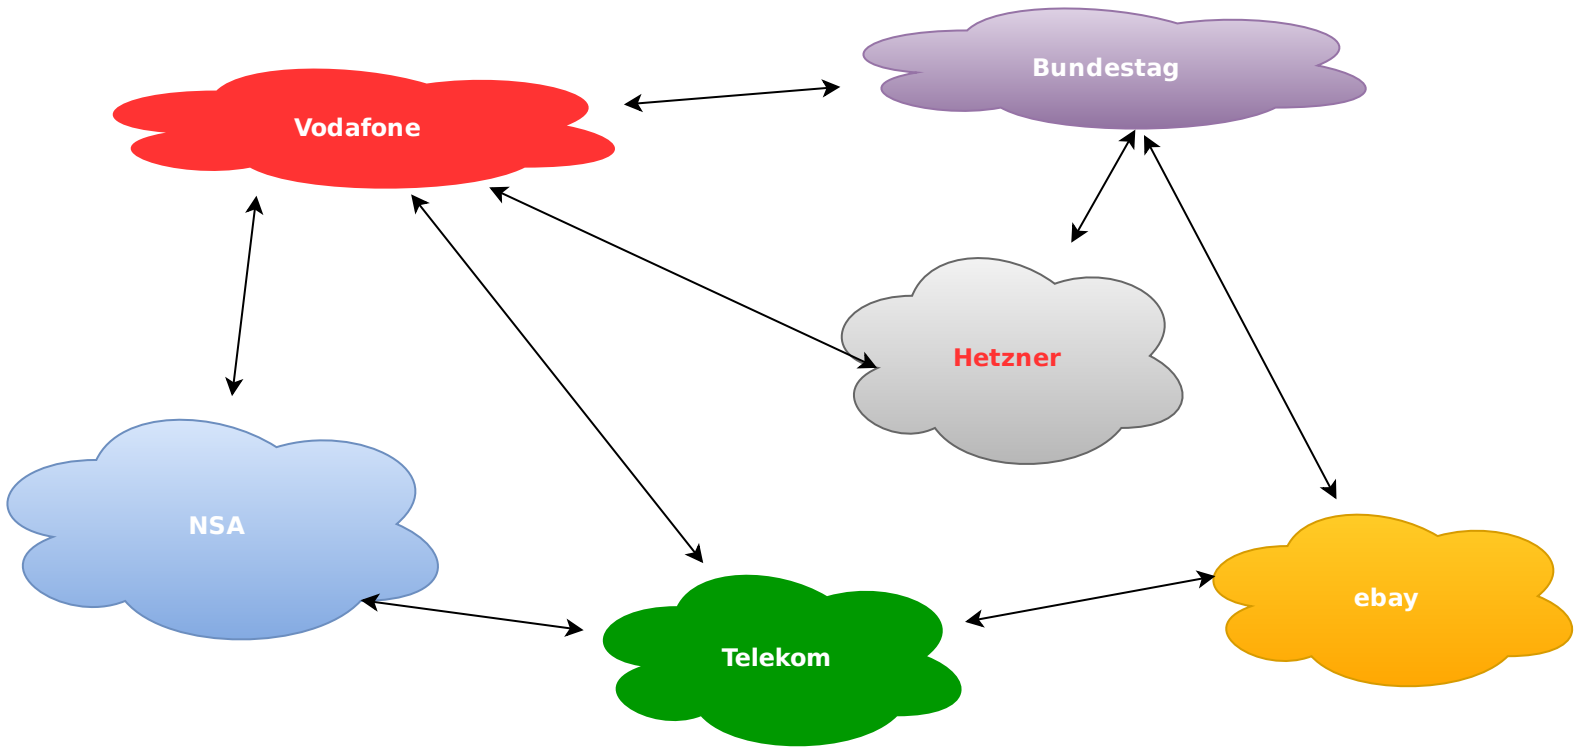
How does the Internet work?

In fact: It doesn't!

Topics

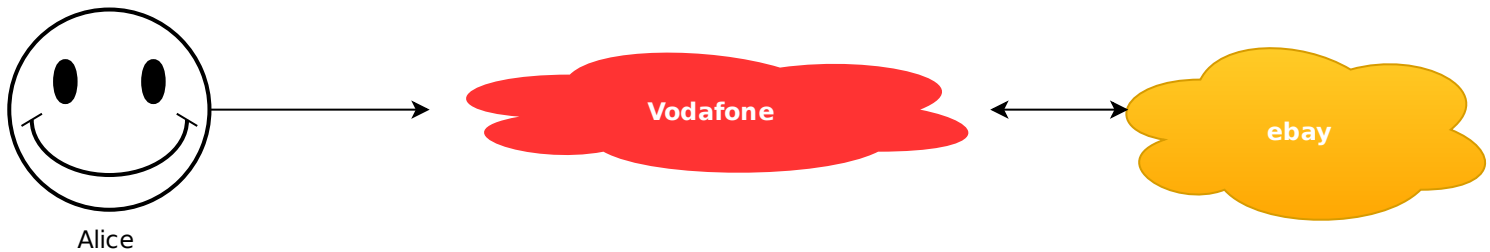
1. What is Internet?
2. Why is it broken?
3. What can we do?

What is Internet?

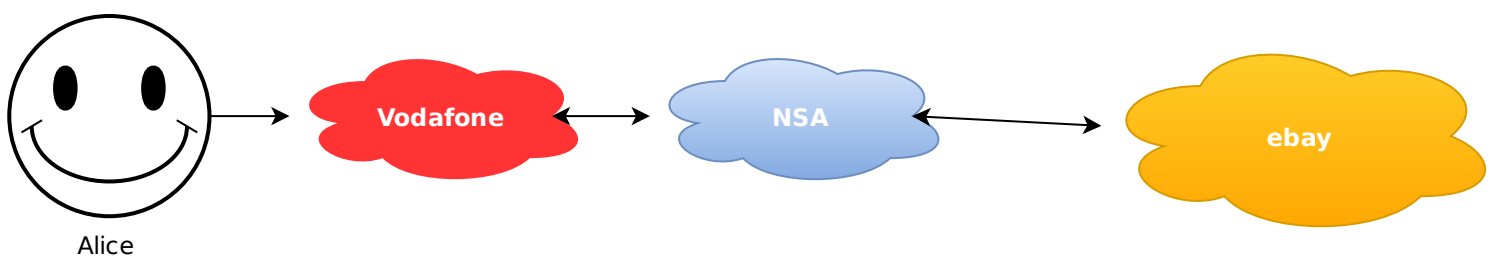


Every cloud = One AS (Autonomous

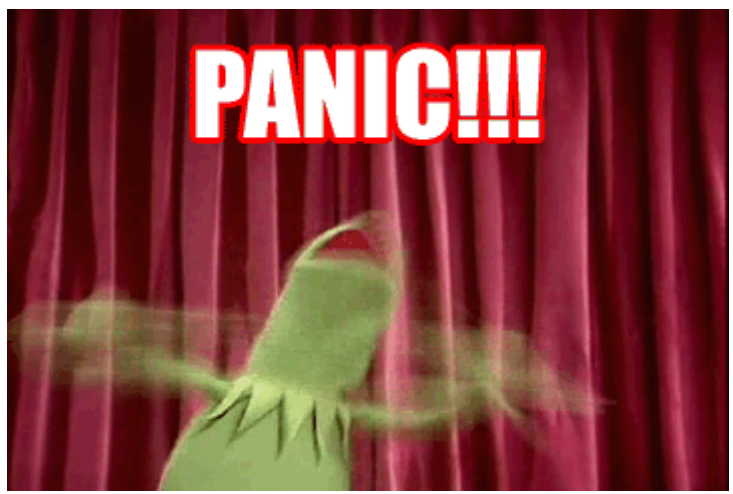
Why is it broken?



What you



How it can



PANIC!!!

What can we do?

Summary

- encrypt as much as possible
- encrypt even unimportant stuff
- try to use end-to-end crypto (telegram secure, gpg, threema)
- Use open source software
